

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 22, 1995

SUBJECT: **SB 857 - HB 1673**

This bill, if enacted, will exempt from the sales tax all repairs to medical equipment or devices that are presently exempt from the sales and use tax.

The fiscal impact from enactment of this bill is estimated to be a decrease in first year state and local government revenues from the exemption of repairs to certain medical equipment from the sales tax. A reasonable estimate of the decrease cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
